

**DIRECTORATE OF ESTATES AND FACILITIES****PROCEDURE AND INFORMATION MANUAL****EPM HS6****Anatomy Suite & MSSSC Contingency Plan Policy and Procedure**

<b>Document originated:</b>	<b>July 2016</b>	<b>By:</b>	<b>C McGreavy</b>
<b>Issue number:</b>	<b>3</b>	<b>No of pages:</b>	<b>13</b>
<b>Approved by:</b>	<b>Faculty of Biology, Medicine and Health and the Directorate of Estates and Facilities</b>	<b>Status:</b>	<b>Approved</b>
<b>Last revised:</b>	<b>July 2018</b>	<b>By:</b>	<b>C McGreavy</b>
<b>Next revision:</b>	<b>July 2019</b>	<b>By:</b>	<b>C McGreavy</b>

The purpose of this document is to significantly reduce the risk of a catastrophic loss of building services, specialist plant and equipment. It describes the arrangements for the management of Estates related and Faculty related planned and reactive maintenance within the University of Manchester, relating to Anatomy & MSSSC facilities.
